

Resident Spotlight

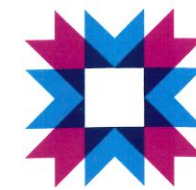

Pat Cover was born and raised in New Jersey. After high school she attended St. Luke's Hospital Training School for Nurses in New York City. Her "first" love was being a nurse in the operating room until she met and fell in love with her husband, Brant, whom she was introduced to by one of her brothers. They had a whirlwind romance and got married on June 13th! Brant was a chemist and they moved up and down the East Coast living and working in various cities. Together they had 3 children—2 daughters and a son. Pat stayed home raising their children until the last one graduated until retirement. Brant and Pat decided to move from the New England area to be closer to their 2 daughters here in Virginia. In retirement, Brant and Pat enjoyed traveling Europe, the Caribbean and the Canadian Rockies.

A Word From Your Executive Director

October is one of my favorite times of year in Virginia. The cooler mornings, changing leaves, and fall traditions remind us to slow down and enjoy the simple things—and there is always plenty to enjoy here at Chancellor's Village! This month, I encourage everyone to take advantage of the activities, celebrations, and opportunities to spend time together. Whether it's sharing a meal, joining a program, enjoying the beautiful fall weather, or simply visiting with a neighbor, those connections are what make our community feel like home. As the temperatures begin to drop, please remember to dress in layers when heading outdoors and be especially careful around wet leaves and uneven walkways. And, of course, we can't let October pass without a little Halloween fun! I look forward to seeing the costumes, decorations, treats, and probably a few tricks along the way. Thank you to our residents, families, and incredible team members for making Chancellor's Village such a special place to live and work. Wishing everyone a safe, healthy, and spooktacular October!
